A Message from the Recreation & Facilities Manager

Dear Eureka Families,

Here at Eureka Recreation, we are in the business of play! Recreation can deepen human connections, build strong communities and leave participants smiling from the inside out. When I first began my amazing journey with The City of Eureka 16-years ago as a part-time summer camp leader, I was blown away by the positive impact that quality recreation programs can have on families and the community; so much so, that I chose to follow a career in recreation.

Over the years I have had the privilege to witness Eureka Recreation in action and the results have been heartwarming. Whether it's having a proud dad volunteer to coach his sons Hoopsters' basketball team, listening to a new song produced by the teens in our G.U.L.C.H. teen program, or experiencing the unity created within our adult sports leagues, it's obvious that play has a genuine ability to nurture the human spirit. One of my personal favorite experiences has been watching young people literally grow up in our programs, develop into amazing young adults, and in some cases become employed as Recreation Leaders and provide others with the same opportunities they had as children. A truly full circle experience!

Inside these pages you will find a variety of classes, sports leagues and recreation programs for the whole family. Let this publication serve as your trail guide to the adventures awaiting you right outside your door. Please email us at recreation@ci.eureka.ca.gov to share how your experiences have been or any new program suggestions you might have. Eureka Recreation strives to create rewarding programs and keep Eureka a place where people want to be.

We look forward to playing with you. *Tag...you're it!*

Happy Trails,

Donna Wood
